

## Adding a podcast on your site:

1. Go to <http://soundcloud.com> and create an account (free).
2. Upload your sound file (.mp3) to SoundCloud.

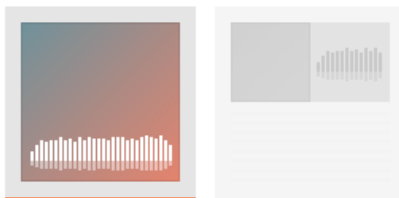

3. Click on **Share**.

4. Click on **Embed** and select "Wordpress code". Copy the code.

## Share **Embed** Message

## Code and preview

[soundcloud url="https://api.soundcloud.com/tracks/2453666€"  WordPress code

5. Go to your Wordpress blog. On your page/post, select the **Text** tab and paste it. Update your post/page.
